

Department of Otorhinolaryngology and Head & Neck Surgery

M.G.M.Medical College and M.Y.Hospital Indore

Department Of Otorhinolaryngology:

Faculty Members:

Sr. No.	Name	Post	Ph. No.
1	Dr. R.K.Mundra	Professor & HOD	9826010774
2	Dr. Yamini Gupta	Professor	9893163830
3	Dr. JagramVerma	Associate Professor	9907361188
4	Dr. Shenal Kothari	Associate Professor	9993134773
5	Dr. Yogita Dixit	Assistant Professor	9425335778
6	Dr. AparajitaMundra	Assistant Professor	9669110309

Supporting Staff:

Sr. No.	Name	Post	Ph. No.
1	Nisha Peter	Audiologist	9826211338
2	Mrs. Sapna Pandey	Staff Nurse	9893495451
3	Mrs. SunitaGangrade	Staff Nurse	9826032419
4	Kalp Nath Tiwari	Record Clerk	9340285862
5	Mrs. Manju	Cleaner	

Achievements of the department of E.N.T. :

EVENTS CONDUCTED BY THE DEPARTMENT:

- AOICON (Annual Conference of the Association of Otolaryngologists of India) 2018-Indore-Scientific part
- Alumni meet conducted in January 2018

ACADEMIC ACTIVITIES CONDUCTED BY THE DEPARTMENT :

- Step towards Deafness free Indore- Seminar presentation by Dr. R. K. Mundra & Dr. (Mrs.) Y. Gupta

Seminars conducted in the Department -

- Juvenile Nasopharyngeal Angiofibroma
- FESS Workshop Experience
- Cochlear Workshop ,Kota- Experience
- Otosclerosis
- Endoscopic Ear Anatomy
- Endoscopic Anatomy of Middle Ear
- Anatomical spaces of Head & Neck
- Carcinoma Larynx and its management
- Acoustic Neuroma- Diagnosis and Management
- Temporal Bone Anatomy
- CT Temporal Bone
- Assessment , Management & Rehabilitation of Deaf & Mute child
- Benign Vocal Fold lesions
- Physiology of Equilibrium and tests for Vertigo
- Endoscopic anatomy of Nose & P.N.S.
- Mechanism of Deglutition & Dysphagia
- Sinusitis- types, classification & complication
- Hearing Tests
- Anatomy of Larynx
- Inner ear Anatomy
- Tracheostomy
- Temporal bone dissection workshop - our experience
- Cadaveric Head & Neck Dissection -Our experience
- Thyroid dissection workshop- our experience
- Endocrinology Conference - our experience

PUBLICATIONS IN THE DEPARTMENT OF E.N.T.:

DrR.K.Mundra:

- A comprehensive voice analysis in benign vocal fold lesions treated by cold knife endolaryngeal surgery using subjective, objective and video-stroboscopic parameters - March 2019
- Narrow band imaging: An effective and early diagnostic tool in diagnosis of oral malignant lesions April-2019
- A comprehensive analysis of benign vocal fold lesions causing hoarseness of voice and our experience with cold knife endolaryngeal Surgery in a tertiary healthcare centre - April/2018
- A prospective clinico-pathological study of oral lesions and diagnostic correlation between brush cytology and histopathology - April 2018
- Virtual Bronchoscopy: Highly Sensitive Time and Life Saving Investigation in the Diagnosis of Foreign Body Aspiration—Our Experience - April 2018
- Our experience with two handed endoscopic tympanoplasty -(Accepted for publication in IJLO)

Dr (Mrs) Yamini Gupta:

- .Virtual Bronchoscopy: Highly Sensitive Time and Life Saving Investigation in the Diagnosis of Foreign Body Aspiration—Our Experience - April 2018
- Cochlear implant made easy by Bhopal technique: Our experience of 200 patients - June 2019
- Impaction of Foreign body in upper digestive tract: unraveling the anatomical perspective.Indian Journal of Anatomy(IJA). April- 2018

DrJagramVerma:

- Changing pattern of foreign body in the aero-digestive tract- a clinical profile of 80 patients - April 2019
- Evaluation of adenoidal obstruction in children: Endoscopic findings correlation with radiographic assessment and effect of steroid spray in adenoid management - April 2019

DrAparaajitaMundra:

- A Comprehensive voice analysis in benign vocal fold lesions treated by cold knife endolaryngeal surgery using subjective, objective and video-stroboscopic parameters - April 2019
- Narrow band imaging: An effective and early diagnostic tool in diagnosis of oral malignant lesions - April 2019
- A polysomnography study of EEG arousals from nocturnal sleep from India - July 2019

- A comprehensive analysis of benign vocal fold lesions causing hoarseness of voice and our experience with cold knife endolaryngeal Surgery in a tertiary healthcare centre - April/2018
- Studies of correlation between shape, site and size of Tympanic Membrane Perforation and its effect on hearing - April 2018
- A prospective clinico-pathological study of oral lesions and diagnostic correlation between brush cytology and histopathology - April 2018
- Our experience with two handed endoscopic tympanoplasty -(Accepted for publication in IJLO)

Workshop/conference/seminar attended by faculty members:

Dr R. K. Mundra:

- Chairman , Scientific committee in AOICON (Annual Conference of the Association of Otolaryngologists of India) 2018-Indore
- AOICON (Annual Conference of the Association of Otolaryngologists of India) 2018-Indore
- MAA E.N.T. 50th FESS workshop – Hyderabad
- 2nd International Workshop of Otology- Mumbai
- Indore live surgical workshop
- AOICON -2019 , Hyderabad

Dr (Mrs.) Y. Gupta:

- AOICON (Annual Conference of the Association of Otolaryngologists of India) 2018-Indore
- Cochlear cruise - Kota
- 2nd International Workshop of Otology- Mumbai
- Indore live surgical workshop
- 3-D endoscopic sinus surgery workshop- Delhi
- AOICON 2019, Hyderabad

Dr J. R. Verma:

- AOICON (Annual Conference of the Association of Otolaryngologists of India) 2018-Indore
- Ce MAST Cochlear Implant workshop- Mumbai
- Indore live surgical workshop
- Temporal bone dissection workshop in K.E.M. , Mumbai

DrYogita Dixit:

- Cadeveric Head & Neck Dissection workshop , Bhopal

AWARDS :

- Dr (Mrs.) Y. Gupta- Video Award for complications of Unsafe C.S.O.M. in 2nd International Workshop of Otology- Mumbai
- Awarded gold medal for best temporal bone dissection in Cochlear cruise, Bikaner
- Appointed as Associate secretary of Association of Otorhinolaryngology
- Runner up in P.G. Quiz in M.P. E.N.T. CON 2018, Jabalpur
- Runner up in P.G. Quiz in N.E.S. in Bangalore, March 2019

ACHIEVEMENTS OF THE DEPARTMENT:

One faculty member got promoted:

- Dr (Mrs.) Y. Gupta got promoted to Professor

Two new faculty members got appointed:

- DrShenal Kothari appointed as Associate Professor
- DrAparaajitaMundra appointed as Assistant Professor

Three new Senior residents appointed:

- DrTriptiSonker
- DrAnshu Singh
- DrAnkit Mishra

Four Thesis were successfully submitted:

- Study of correlation of laryngitis with laryngopharyngeal reflux via videolaryngoscopy
- Effect of neonatal hearing screening on Cochlear implantation candidacy
- Imaging evaluation of pediatric SNHL as potential candidates for cochlear implantation
- A study on the evidence based clinical assessment, diagnosis and management of vertigo

- **5 Cochlear implant surgeries were performed**
- Our department participated in Deafness Awareness Program, Indore

Following new instruments were received:

- Visualscopy software was purchased
- LASER was donated to our department by a welfare society- ParpeeraSansthan
- New Microdebrider was donated to our department by ParpeeraSansthan
- Facial nerve monitor was purchased

CLINICAL MATERIAL:

- Total no. of O.P.D. Patients: 36742/year
- Total no. of I.P.D. Patients: 2938/year
- Total no. of Major surgeries performed: 654/year
- Total no. of Minor surgeries performed: 746/year

Dr R. K. Mundra

Professor & H.O.D.

Department of E.N.T.
