Last Date to Registration: 23rd April, 2026

Registration Free but mandatory

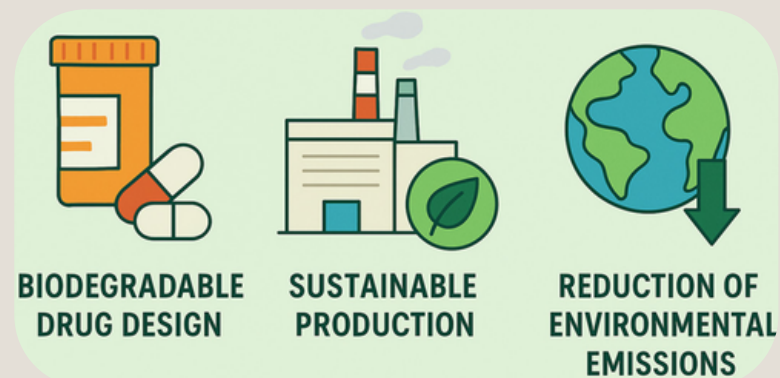

INVITATION

"True patient safety begins at the bedside and extends to the global ecosystem. In the evolving landscape of modern medicine, mastering the journey from clinical causality to Eco-pharmacovigilance is no longer optional—it is our professional responsibility."

It gives us immense pleasure to invite you all to the MGM Medical College, Indore, for a CME on "Strengthening Drug Safety: Clinical Causality to Ecopharmacovigilance." This event is organized by the ADR Monitoring Centre, Department of Pharmacology, MGMMC Indore, in collaboration with the Indian Pharmacopoeia Commission, Ghaziabad (U.P.).

This CME will specifically address the critical pillars of drug safety, including an overview of global and national pharmacovigilance practices, hands-on insights into causality assessment through case-based discussions, and the emerging importance of Ecopharmacovigilance.

Program Schedule

9:30-10:30 AM	Registration & pre- test	
10:30- 11:00 AM	Welcome address	Dr. Anjali Kushwah AMC-Deputy Coordinator, Department of Pharmacology, MGMMC, Indore
11:00- 11:30 AM	Pharmacovigilance - An overview	Dr. Pooja S. Mishra Professor & HOD, Department of Pharmacology MGMMC, Indore
11:30 AM - 12:30 PM	Causality Assessment case-based discussion	Dr. Ruchi Bagel Associate Professor, Department of Pharmacology, RDGMC, Ujjain
12:30- 1:30 PM	Eco Pharmacovigilance	Dr. Niket Rai Professor & HOD, Department of Pharmacology, LNMC, Bhopal
2:00- 2:30 PM	Question Answer Session & Post-test	
2:30 PM Onwards	Photograph followed by high tea	

Pharmacovigilance program of India (PvPI): We started a journey of Pharmacovigilance, for saving lives
